RUMSON-FAIR HAVEN
REGIONAL HIGH
SCHOOL
Rumson, New Jersey

FOREWORD

The Rumson-Fair Haven Regional High School is one of the outstanding secondary schools in the State of New Jersey. I would like it to be the best. The attainment of such a goal is a challenge to administrators, teachers and students. A superior job must be done in all areas of school work. Academic achievement must be emphasized, our fine college admissions record must be maintained, and the program of study must be continuously revised to meet pupil needs. The teachers must continue to show initiative and industry in their teaching and be constantly alert to new techniques and methods which will help their charges. The students must demonstrate pride in the Regional High School by their performance in classrooms, on playing fields, and at social events. Excellence must be the standard for every school activity. And to report our growth and achievement, there must be a school annual of the highest calibre. The staff, faculty advisors, and the senior class are to be commended for presenting such a yearbook. It supports my claim that "Every day in every way we're getting better and better!"

In Dedication

"The Rumson-Fair Haven Regional High School will become the outstanding secondary school in the State of New Jersey through the interest and support of local citizens, the educational leadership of the Board of Education, the dedication of teachers and the initiative and industry of students."

This quote typifies the dedication with which Dr. John F. Kinney, Jr. continually strives to improve Regional in all areas of achievement, making our days here both rewarding and memorable. Working with the faculty, he has encouraged high academic standards, good sportsmanship and sound social attitudes. He has led us to be "one of the finest schools" and has inspired us to look forward to a successful future. Thank you, Dr. Kinney, for the many opportunities which you have made available to us.

In Appreciation

The world today needs the exacting science of mathematics, therefore we, the Class of 1962, would like to extend our deepest appreciation to the Mathematics Department of Rumson-Fair Haven Regional. They have worked innumerable hours to teach us the quantitative know-how needed for the social sciences as well as the natural sciences. For their tireless efforts we give our sincerest thanks.

SENIORS

CLASS HISTORY

As we, the class of '62, complete our final days at Regional, we pause to reminisce — just a bit.

Only four short years ago we were frightened freshmen, fervently hoping that no one would suspect our total bewilderment. Then, gradually, we found ourselves caught up in the whirl of school activities. We screamed ourselves hoarse, both at the Saturday football games and after school, as our own "little Bulldogs" took to the gridiron. Some of us were elected to the Student Council; others were selected for Tower Players, Freshman Cheerleaders, and the *Rumsonian*. And, by the score, we joined additional school clubs. With great pride, we began attending classes in the new addition. Suddenly we found ourselves in the full swing of high school life, electing class officers, and planning our first dance, "The Roaring Twenties."

As sophomores, we were the first class to participate in an accelerated program in mathematics; several of us took two geometry courses. We contributed members to the Jayvee and Varsity football, basketball, and baseball teams, and, also, tennis and track. Socially, we highlighted the year with another dance, "Twenty Thousand Leagues Under the Sea." Many of us took to greasepaint in the musical production of *Oklahoma,* and, later, *The Happiest Millionaire*.

During the first two years we developed as individuals; but as we became upperclassmen, we began to think in more mature terms — of our responsibilities as a class, and of the need to assume more leadership in school activities. Continuing our accelerated math program, several of us studied Algebra II and Trigonometry. A high point of the year was the English trip; we traveled to Broadway to view the Pulitzer Prize winning play, "*All the Way Home.*" But by far the biggest event was our Junior Prom. For weeks Sue Munger cracked her whip like Simon Legree and urged us to finish decorations for the Mardi Gras theme. The result — for one grand and glorious evening the gym was transformed into a colorful and festive carnival.

Now, but a few days from graduation, we can look back with pride on our many accomplishments and contributions to Regional. Three of us, Pat Patterson, Jay Blake, and Carol Geary, qualified as semi-finalists in the National Merit competition, while seven others received letters of commendation. Still participating in the accelerated math program, some of us elected college-level calculus in our senior year. Others have taken Advanced Placement History and Biology courses or the newly instituted P.S.S.C. Physics. In record numbers we applied for early acceptances at leading schools, and many of us had definitely completed our college plans by January. Socially, we continued favorite past traditions: Homecoming, the annual Christmas dance, the Tower Play, (*The Male Animal*), and the Senior Dinner Dance. We changed the format of the Senior Variety Show to include a silent film reminiscent of the Twenties. We took part in the second school musical, *Brigadoon*. Our school spirit soared and with it our pride in Regional. Throughout the year, we have labored, but happily so, to make the *Tower,* our yearbook, truly representative of the pride we take in our class and in our school.

Regional's Guest from Finland

Under the sponsorship of the American Field Service, Matti Reinila, a student from Raake, Finland, came to America last July to attend our high school. He is living with Mr. and Mrs. Donald Laing of Rumson. This son of the Lord Mayor of Raake is 18, and loves music, sailing, and skiing. He plays the piano and cello.

Having graduated from his high school in Finland, Matti has studied English, United States History I and II, Typing, Vocal and Instrumental Music with our senior class. He studied English for three years in Finland and says,"English have I only three years so that it takes time to speak it fluently."

Matti says he will fulfill his military requirement, and also attend the University of Helsinki upon returning home.

About his year at Regional he said, "This is a busy time mixed with some sadness, but I am very glad to see and learn to know a new country and its people."

Rumson — Fair Haven Regional High School Alma Mater

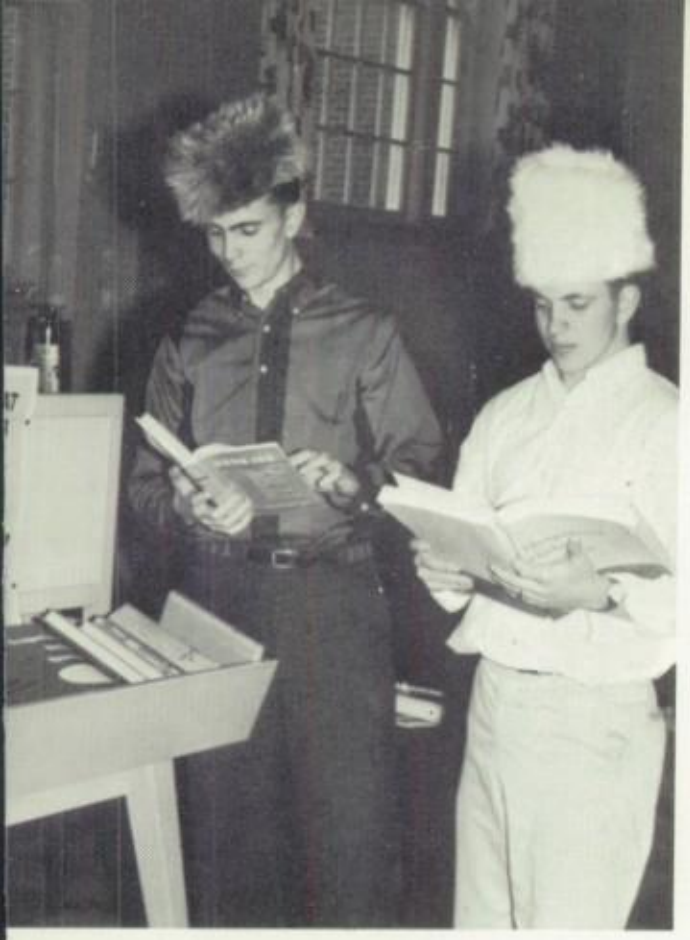
O dear old Regional High we love thee
Fond memories linger in our minds;
Of classrooms, always bright and cheery,
And happy days we leave behind.
Your teams shall fight their valiant battles,
But win or lose they'll never cry;
We'll always love our Alma Mater,
Our dear old Regional High.

But high school friendships all must sever
And fade as the dying day,
And closest kinships all be broken
As out in life we wend our way;
And yet what ever be life's fortune,
Tho' some may smile and some may sigh,
We love thee still our Alma Mater,
Our dear old Regional High.

(Words by H. Leon — Class of 1938)
(Tune: Palisades)

Through the efforts of the Assembly Committee, many fine programs are introduced to Regional. Music, current world events, debating, plays, and school affairs, to name a few, comprise a varied assortment of programs brought to the attention of the students.

SCHOOL LIFE



VARSITY CHEERLEADERS

The Varsity Cheerleaders started football season with the annual Kick-Off Dance, sponsored by the G.A.A. SPORTS

Coach Joseph Rosati

"BUILDING YEAR"

Gridiron action at Rumson-Fair Haven this season was sparked by team and spectator spirit. Although the varsity eleven recorded only two wins in nine encounters, the Regional Bulldogs fought hard to "win it for Joe," the Shore's foremost varsity football coach. Co-captains, Bill Preston and Frank Varone led the Bulldogs through a difficult season, described by coaches as "a building year." The 1961 grid season has aided in developing promising young juniors who, it is hoped, will lead the Varsity team to their second Shore Conference title in 1962.

REGIONAL'S CLAS

This year Rumson-Fair Haven's Varsity cage squad posted a 7-10 record for the 1961-62 campaign. The highlight of the season was the Bulldog's stunning upset over the powerful Manasquan quintet, who were almost unbeatable on their home court. Bill Barny, Bob Hoffman, captain, and Vern Paulson were the top scorers for the Bulldogs, while Jay Harvey and Don Larrabee did the bulk of the rebounding.

TRACK AND FIELD

With the construction of completely new facilities for this season, track and field has mushroomed into a major sport. Ample material, in the form of a fair number of returning lettermen and many underclass prospects, was developed into a strong and promising team by coaches Mr. Thomas Bain and Mr. Alan Lyster. Although track is not a spectator sport, interest was greatly increased by the innovation of several home meets.

WRESTLING

Under the leadership of Mr. Harold Lorme, Varsity Wrestling was instituted for the first year. Beginning with fundamental concepts and a group of inexperienced recruits, Mr. Lorme has vigorously trained his team in the intricacies of this exciting sport. Although their record showed only one win, the boys entered each match with great team spirit and drive. Coach Lorme hopes that with the addition of new mats, we shall be able to hold home matches here at Rumson.

BASKETBALL

Learning new techniques and rule changes, the girls' basketball teams competed in both intermural and interscholastic games. Sponsored by Mrs. Pat Robinson, the girls played extremely well, with the seniors holding the traditionally good senior class record.

FIELD HOCKEY

On crisp autumn days, Regional girls were found battling on the hockey field. Under the supervision of Mrs. Pat Robinson, the girls competed intermurally and interscholastically.

BOWLING

One of the favorite sports at Regional, bowling is separated into two leagues, Junior and Senior. Early in the spring a tournament for several shore schools in this area is sponored by the National Junior Bowling Congress. Many Regional girls return with trophies.

BADMINTON

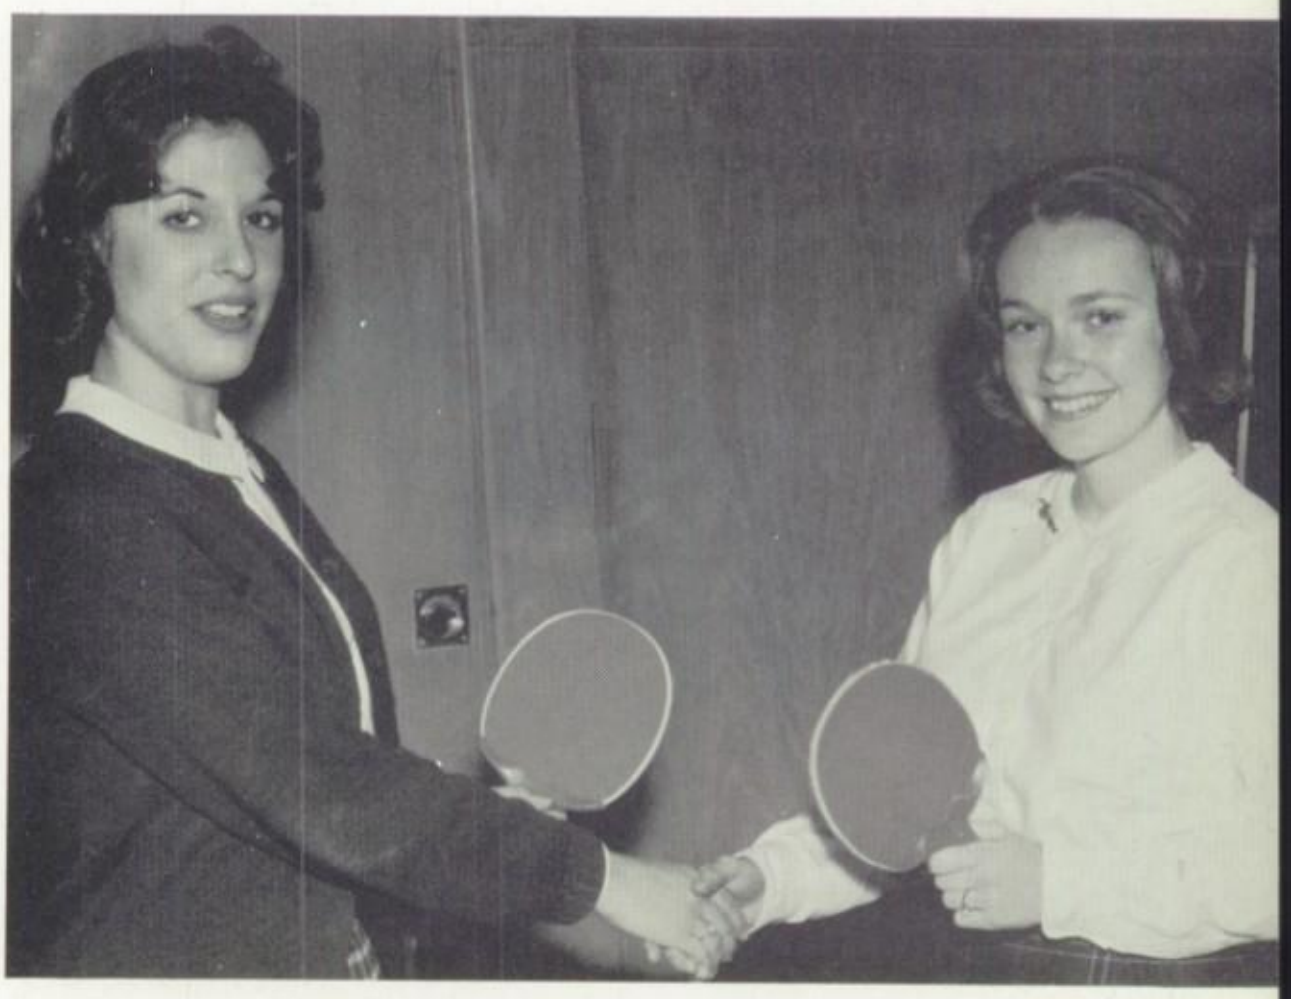
A series of matches to eliminate competition, badminton encourages good sportsmanship and draws many spectators. As each game is completed, the tension and spirit of competition mounts, and finally culminates for the triumphant victor.

GOLF

On sunny afternoons the green links of Beacon Hill Country Club resound with calls of "Fore" from the Regional girls as they practice under the direction of Mr. Andy Sikora. Later, a tournament is held and the girls return with trophies in driving and pitching.

PING-PONG

Ping-pong paddles have been stored away for another year. Fast — paced matches produced the finalist who engaged in an end-of-season tournament.



SOFTBALL

On warm spring days, the shouts and cheers of Regional's girls can be heard on the softball diamond. With keen competition and good sportsmanship, the girls vie intermurally to culminate the season with the usual senior success.

Our yearbook, The Tower, is published annually by the senior class as a tribute to Regional, and as a record of all its activities. This year the staff has striven to stylize the book with a new foremat and meet higher standards of production. This could not have been accomplished without the guidance of Misses Janice Tyndall and Lois Baldino. Special acclamation must be given, however, to Mrs. Naomi Manning for her replacement of Miss Baldino, upon her resignation.

LORSTAN-THOMAS STUDIOS

FOREMOST SCHOOL PHOTOGRAPHERS IN THE EAST

The twig is so easily bended
I have banished the rule and the rod
I have taught them the goodness of
knowledge,
They have taught me the goodness of
God;
My heart is the dungeon of darkness
where I shut them for breaking
a rule;
My frown is sufficient correction;
My love is the law of the school.
